

GEORGIA JUNIOR RODEO ASSOCIATION INC. SPONSORSHIPS

Enclosed is your kit for obtaining sponsorships for the Finals Rodeo Program. The following instructions must be followed to insure your sponsor information will be put correctly in the program.

1. RECEIPTS – The enclosed receipts do not require carbon. Give the white copy to the sponsor. Keep the yellow copy and attach to the contract.
2. CONTRACT – Fill out completely and sign. Be sure to check the correct size desired, and get a check or cash for the amount owed. Payment must be in advance, and no copy will be accepted unless accompanied by payment.
3. COPY – We can reproduce exactly any camera-ready copy for your sponsor, or we can typeset whatever copy he desires. We cannot produce custom artwork so they must provide any picture or logos. If you have a computer, you may also reproduce any copy to help us cut down on the time it takes us to put this program together. This part can be fun and give you a chance to really use your imagination! Enclosed is a sheet showing the sizes the ads should fit in if you are working them up yourselves. The class picture should be the size shown on the sheet. If you sell sponsorships the class picture will be free, but if you do not you will need to pay the price shown. Remember to tell us about yourselves (maximum of 5 or 6 line please) we will put it beside your class picture.

When you have completed the sale, you should have stapled together a RECEIPT, CONTRACT, COPY, AND CHECK OR CASH. Put the completed order in your envelope for safe keeping.

This is a major fund raising project for the year, and we use the proceeds to purchase awards for the Finals Rodeo.

We appreciate your participation and there will be a prize given away to the top money seller.

The turn in date will be announced later.
